WEDDINGS, ENGAGEMENTS and ANNIVERSARIES

Thanks Evyn for playing at our **proposal**, we loved the atmosphere that you created for us!
Karan Parekh

Evyn performed beautifully at my **wedding ceremony** this past weekend. I couldn't have asked for a better guitarist. He also played during cocktail hour and my guests absolutely loved it. He is easy to work with and had to make a couple of changes for me, since I switched some things. He even learned a **song on violin** for me! I am so happy to have had Evyn be such a big part of my special day and I highly recommend him to anyone!
Lauren Jones-Meyer

I asked Evyn to play guitar as I was **proposing marriage** to my girlfriend. He was able to come over at the last minute, played an Elvis' song "Fools Rush In" beautifully and hung around and played some more as we celebrated. Thanks for helping me make that moment happen, Evyn! Until next time!
James Birmingham

Jessica Walters-Wall (and Scott)

I would like to share my wonderful experience of a very professional musician. He was scheduled to play one song at our **wedding** […] At the last minute, the morning of the wedding, we had to ask Evyn to do the entire wedding ceremony. Not only was he able to fill in, but he did a very great job. Many people complimented him directly or told us how well they enjoyed the music and his singing. He was very instrumental in giving us advice before, regarding the music for the ceremony. We were both very delighted that we had beautiful solos and music, which will be very memorable for the rest of our lives. His rendition of "Now I Do" rendered applause from our guests. Thank you Evyn for a very memorable and beautiful event.

… Just wanted to let you know again how much we appreciated you and your band playing at our **wedding**. You were great, individually and collectively…
Heather and David Hanes

… We hired Evyn Charles and his band to play at our **wedding reception** last month. They were great! The variety of music they played was fantastic and their obvious skills as musicians was apparent. They had everyone on the dance floor and having a good time.
In short, we would recommend them to anyone for their wedding, party or other event...
Shari and Jerry Dressler

You were awesome at our **wedding**!!!
Rachel and John Marshall

Dear Evyn: Matt and I just got back from our honeymoon, and we just wanted to thank you so much for all you did for us at our **wedding**. Everyone gushed over your beautiful music for the wedding, and the processional song went perfectly. Your ability to improvise as needed was truly a blessing. I was so confident in your skills that I didn't have to worry at all about the music coming together during the morning preparations for the wedding.
What luck it was that we met […] It all worked out so perfectly in the end…
Laura and Matt Sheehan

I can personally tell you that Evyn played our **wedding** and made it an unforgettable day! My friends and family, still to this day, comment on how great the band was! Not only is he professional, he's an AMAZING artist! Book him!
Annie and Jason Van Pelt

The music was awesome Evyn. You made the night so wonderful... Thanks for everything!
Laura and Rudy Taute

Thanks again for an amazing and memorable musical addition to our **daughter's wedding**. Please know that we are so thrilled with all the surprises that Karen and Eddie planned with you. It was wonderful and, as musicians ourselves, we enjoyed your talents on this very special day.
Anne Davis

Evyn's entertaining at my **wedding reception as an MC and live solo guitarist** was more wonderful than I could have ever imagined. He showed up very early for set-up and was responsibly and collaborative an pre-event meetings. He played so well at the event people were dancing, clapping, and guests told me Evyn did a great job. I am so glad Evyn made the event so memorable and fun for me (the bride)!
Tess and Rob Stevenson

We loved having Evyn play at our **wedding reception**. He is a very talented guitarist. He was not familiar with one of our weddings songs so he took it upon himself to learn it.
Jennifer and Jon Roepke

Evyn Charles is super. He arrived our **wedding** party earlier and started to play after set up when waiting for guests coming. He is very professional, flexible and passionate. All our guests love his performance. My husband said that I did a great job of picking musician for our wedding party.
Thank you Evyn! You made my party and thanks for you make me worry free!
Tina Qiao and Jack Rose

Evyn did a wonderful job, he played guitar for our **ceremony and cocktail hour**. He learned a few songs that we asked him to play for our ceremony, and he did a great job both adapting the songs and singing/performing them. The song he learned was a song that means the world to us, and it was amazing to have it sung and performed at our wedding.... "I'll catch you" by the Get Up Kids. We were so happy with his performance on his guitar both during the ceremony and afterwards as he played music for the cocktail hour and has a large repertoire, great job Evyn and thanks again…
Claudia Ochoa and Victor Valencia

Evyn Charles did an outstanding job at our **wedding**! We were very pleased with him and his service.
From the beginning when I asked Evyn to sing at our wedding and play his guitar he was very kind and helpful. He offered great advice and wedding prep guidance but left plenty of room for us to customize things the way we wanted.
We had a lot of things at our wedding that did not go according to plan from the photographer, videographer, to the wedding coordinator's services but one thing that went perfect was Evyn Charles. He delivered as promised.
I would absolutely recommend Evyn Charles. He is very talented and a lot of fun. Thank you Evyn!
Denise and Rich Hatten

My wife and I semi-regularly go to Tony's on the Pier in Redondo. We love going on nights that Evyn is playing. When we were picking out a musician for our **wedding** it was a no-brainer to ask Evyn. He was extremely helpful and friendly with everything. He was there promptly on time and was a great addition to our wedding while being very sociable with everyone there! We hope he had as great a time at our wedding as we did having him there. My wife wanted a particular song to walk down the aisle to, and Evyn learned it for us! He has great musical talent and is great to listen to. I would definitely recommend for anyone looking for someone to play any event to consider Evyn.
Leigh and Euka Kotabe

Evyn was so easy to work with. I just gave him an idea on the type of style I was interested in, and he did the rest. All of our guests complimented on how well he did, and asked for his contact information for further events. He made our day very special and memorable. Would highly recommend!
Jessica Fong and Oscar Alvarez

Evyn played for my wife Alison and my **wedding** in May ’14 at the Bel Aire Bay Club in Pacific Palisades. My wife and I were really struggling to figure out what we wanted to do during our reception for music. We went out with some friends and heard Evyn playing at Tony’s in Redondo Beach. We instantly loved his music, the tone of his voice and his professionalism he displayed while playing (in addition to his song selection). I got his card during his break and we booked him the next day.
As any married person knows, weddings are stressful and full of coordination. Evyn made things seamless and he was extremely responsive (I wish it would have been the same for other venues) and that really helped us out.
He showed up on time and he did a great job. I didn’t get to see the whole set (considering we were being tugged around taking pictures), but I did catch some songs and he got rave reviews from our guests. My father, who is a musician as well, really complimented Evyn and his abilities. I would highly recommend Evyn for any event.
Alison and Jared Wilson

Evyn was great to work with. He is such a talented musician with a wide range of songs. Our guests at our **wedding** last month were very impressed and happy with his music. I would definitely recommend Evyn and book him again!
Ana-Lilia and Jeff Mackay

Evyn is the man! I was looking for a performer to **sing a song to my fiancé while I proposed** and Evyn did it no problem. He did a terrific job and it was all perfect and he also helped me plan the whole thing when I told him my plans. […] I would definitely recommend him to anyone looking to surprise or entertain people.
Josh Camacho

Evyn Charles performed at our recent **25th anniversary** party and all I have been hearing ever since is “Wow! Where did you find him! He was so fantastic!” from our relatives. When people of all ages, from teens to their 80s, are singing along and having a great time, Evyn Charles must be doing something magical. He definitely spiced up the event and gave it a flair it never would have had otherwise. I would recommend Evyn to anyone. We also appreciated that before the big day, he went over his song list with us so he would know what we like. He was a pleasure to work with and I can’t say enough how wonderful he was. I would certainly hire him again!
Leslie and Rich Friedman

We had the most wonderful **anniversary** celebration last night, and your contribution to it was enormous. Our company loved singing with you, as did we! It was a great pleasure to meet you, and I hope we’ll meet again on future such joyous occasions.
Rav Yosef Kanefsky

Hi Evyn: I met you over a year ago when you were playing at Tony's on the Pier in Redondo Beach. My soon-to-be cousin was getting married and you ended up playing for their wedding (Rachel & John M.). This past December you also played for my almost-brother-in-law's Navy party (all Beatles music) at On The Rocks in Redondo Beach (which Rachel & John also happen to own). The whole family loves your style and talent. Well, I said all that to tell you that my fiancé and I would very much like to meet with you and talk about possibly having you play for our wedding ceremony (including some pre-ceremony music and post-ceremony/cocktail hour music). I spent a lot of time looking at your website learning a lot of things about you and scrolling down your long list of songs and it only made me like you more.

I suppose before we go any further we should check to make sure you are even available on our wedding date. Please check your calendar on […] and let me know if you have the date available. We have looked at string quartets and the like, but **sincerely enjoy your style of music and would love that to be reflected at our wedding**.

I can't wait to hear back from you! =)

Evyn played in our backyard for a **birthday party** for my wife with about forty guests. He played for three hours and was fantastic throughout. Several friends gave me compliments on his music. A few highlights: Hit me baby one more time, No Diggity, Bamboleo, Wonderwall, and September. He set the mood for the whole evening and made it a truly memorable night. We will try to book him for our next family gathering.

GRADUATION PARTY

I threw a small **birthday party in my backyard** for my wife and hired Evyn to play at the event. It was a "I love Lucy" themed party and Evyn came in early to set up dressed to the nines in full "Ricky Ricardo" clothing. I did not provide Evyn a playlist, though he told me beforehand I could, and would accept requests. He took the theme for the evening, the vibe of the crowd (38 vaccinated souls!) and played and played for several hours, interacting and connecting with all and really made the party special with his talent, skill and overall professionalism. I would hire him again for any party and give a hearty recommendation to all as I earned major brownie points from my lady as she did not know I had hired Evyn and was so happy!
Jeff Cooper, Former Mayor of Culver City

Evyn played beautifully at a **benefit dinner** I produced and coordinated yesterday and he knew exactly what to play and ended the evening on such a positive note! He was on time, courteous and set the tone for so many families to come together during their most difficult times. I highly recommend Evyn Charles Music!

On behalf of all the staff and management of WebVision, Inc., I would like to express our most sincere appreciation for your performance at our recent **company party**.
A group of us happened to catch them in performance at a Redondo Beach club a few months ago. We stayed all night while Evan and the band graciously took our requests. These guys know hundreds of songs and sound fantastic! We knew this was the band we wanted for our event.
Our employees' families had been invited to the party so there were people of all ages, from older adults to children and teens. The band managed to entertain everyone, and get a bunch of computer programmers on the dance floor--now that's impressive!
In addition to being extremely talented, from a business standpoint, they proved to be very professional and easy to work with. We look forward to having the band perform at next year's company party!

Evyn is amazing! I threw a **retirement** party for my dad in my backyard and Evyn really set the tone for the entire party. He made the party that much more special and everyone who attended commented on how great he was. I could not have imagined that party without him! He is personable, professional, and SO talented! Evyn played at the reception for our **baby's baptism** and he did an outstanding job. His performance was great, he selected perfect music for the occasion and his presentation was also ad hoc to the event. I truly recommend Evyn for any type of party: he will make you and your guests happy!!

Evyn is awesome! Everything from Bob Marley to Eazy-E. I have seen him perform many, many times over the last 5 years. He is a **class act and superb musician**.
Ron Nichols

What can we say… Outstanding! Evyn was very professional, arrived early for set-up, and interacted well with ourselves and our guests. We had a **Cowboy themed birthday** party for our son. Evyn came in Western attire! He had a set list of classic and contemporary country songs. Of course he took requests and seamlessly inserted a wide range of songs: Credence to Neil Young, Garth Brooks to Neil Diamond! In five hours, he only took two breaks! He even acted as emcee, directing our guests to food and cake cutting and pony rides when appropriate. All of our guests had great things to say about his performance. He got so much applause, he made a joke about thinking he was only supposed to be the background music! We would highly recommend Evyn and would not hesitate in hiring him again. Thanks again Evyn for making our son's first birthday party extra special.
Gladys and Peter Fedorka

I had the immense pleasure of seeing Evyn last week in LA. It was the last night of a work trip. A colleague suggested seeing Evyn at Old Tony's on Redondo Beach. Wow!! So glad he did.
Evyn has a rich voice with nuanced tones. He clearly has a **passion for music and the vocal skills to match**. The vibe is soulful beach groove. He masterfully sings/plays (guitar) crowd favorites and his own originals that will caress your ears and core. Beyond the music, Evyn is humble, funny and has personality for days!

I've had the pleasure of watching Evyn Charles perform on several occasions. From weddings, to holiday parties, to everything else in between, Evyn's style of music is fitful for any occasion. Evyn a master guitar player and singer and his catalog of music is HUGE! I honestly don't think there's a single song he doesn't know how to play! If you demand nothing less than a **perfect "10" for your party's entertainment** Evyn is your go-to guy.
Brian Christie

Evyn is a great musician, vocalist, and all around nice guy.
I've been a fan of Evyn's for years and recently got to see him perform at the Warehouse in the marina, though I know his usual spot is at Tony's. Excellent as always! He does wonderful **covers of others' music as well as some original work**. Evyn has an awesome sense of humor and is always engaging the audience. I've got a wedding coming up and Evyn is definitely at the top of my list.
Check him out if you can. You'll have a great time!

I've seen Evyn play a number of times at Tony's on the Pier and have always enjoyed his music and the relaxed vibe that comes with it. I was recently planning a **corporate event that needed live music**, so Evyn was an ideal choice. He played at our evening outdoor reception for 100+ guests at the Hotel Maya. He did an exceptional job of entertaining the crowd with a wide mix of music and creating a relaxed atmosphere for all to enjoy. A good deal of the crowd stayed longer than scheduled and Evyn was **happy to continue playing to keep the party going**. Thank you, Evyn!

Evyn knows his audience and tailors his songs and sets to keep everyone laughing, singing, dancing and partying through the entire show. He is also a gifted songwriter and can write a jingle or advertisement for your company, like he did for mine, and it was SPOT ON awesome.

My wife introduced me to Tony's while we were starting to date. She had been going there with her parents for years. Our dining experience has always been superb but the main reason we go back again and again is the musician Evyn Charles.
We were there while he played his sunset song at sunset 2 summers ago and asked him to play at our wedding! He did a fantastic job and never fails to amaze every time we hear him. We have brought friends and family who can't believe he is not world-famous yet. We will be back to have dinner and listen to Evyn soon!"

Kristie Fagerness

Oh goodness did I have a great time here last year in April. So much fun. Live music from a great artist named Evyn, great folks to sing a long and drink with and the most amazing night views of the ocean. I had a LOT OF FUN!!!

THE place to drink on a Friday or Saturday night on the Redondo Pier. Manny the bartender is awesome and Evyn Charles plays all your favorite songs.
Ron Nichols

And I can't forget about the live music from the talented Evyn Charles. He can play anything you like and he even has plenty of awesome and hilarious songs of his own.
Stefani Erkelens

After dinner we went upstairs for drinks. Evyn Charles, the guy on the guitar everyone talks about, was playing again. +1 Star for Evyn! He has the ability to sound great and set the mood but blend into the background at the same time. We requested really random songs on napkins - from Ozzy Osbourne to Jack Johnson to Al Green. He had a great sense of humor and played most of our requests (he killed The Stairway to Heaven, btw!) […]. I would probably only go back if a friend really wanted to go and I knew Evyn would be playing upstairs.
XTINE S.

Love hearing the smooth sounds of Evyn. He's got a great voice and sound of his own. Met him at The Slip Bar on the Redondo Beach Pier. You've got to listen to his original music. Awesome!!!

ONLINE PERFORMANCES, WEB SHOWS, SONGWRITING and MORE

Evyn performed for my husband and I via Zoom for our stay-at-home date night, and it was so special. He knew exactly what songs we needed to hear during this unique time. It was so fun to chat with him in between songs, and I especially loved hearing his personally written songs too. Be sure to ask him to play his Tony at the Pier song!
Jodie and Greg K.

Evyn's online concert was a great time! His music was somehow soothing and energizing at the same time.
It can't be easy to perform for a remote audience, I so really appreciate his performance effort - it lifted my mood and just made me feel good. It was the highlight of my day!!

KING HARBOR YACHT CLUB

Evyn is a creative musician who blends in popular songs with creative originals into his shows. His style up fun and upbeat and his range of songs is impressive, ranging from rock to country to beach lifestyle tunes. He is also a talented songwriter who can write corporate jingles for your company. He even wrote a theme song for my website that perfectly captured the content and essence of the site. I highly recommend him for your events, your bar or virtual concerts and shows!

… and a couple more testimonials from Kevin :)

Evyn has been a regular guest on my two live shows, PubClub LIVE held at Tower 12 in Hermosa Beach, and the Virtual Happy Hour, which features guests from around the country talking travel and wine/beer/spirits. He has proven to be a great entertainer, so much so that I asked him to write a theme song for my website, PubClub.com, and he came up with a brilliant and fun song that truly captured the essence of the site. That's another talent he has, writing jingles and theme songs for businesses. I highly recommend him for your company, your event, your bar and also for a virtual livestream show.

Evyn knows his audience and tailors his songs and sets to keep everyone laughing, singing, dancing and partying through the entire show. He is also a gifted songwriter and can write a jingle or advertisement for your company, like he did for mine, and it was SPOT ON awesome.
